Performance

AIM Experience
Affirm. Inspire. Mentor. Directors have been asking for it, and here it is! The AIM Experience is an exclusive private master-class session offered as an elective to participating groups at all Heritage Festivals. This 60-90 minute concentrated educational experience provides extra performance time and customized one-on-one instruction from one of our professional clinicians. Music directors can set the focus of the session's content through their planning call with the instructor. Reaffirm your classroom teachings, fine tune your festival performance, or focus on a few specific skills – the choice is yours!

\$775 per ensemble
